

the conduct of operations in the areas. Vessels or personnel which have inadvertently entered the danger zones shall leave the area immediately upon being warned.

(iii) The areas described in paragraph (b)(1)(v) of this section shall be used as a strafing area. Practice and dummy ammunition will be used. Operations will be conducted on five consecutive days (Monday through Friday) per month during the months of February through November between the hours of 4 p.m. to 11 p.m. The block training dates will be scheduled two weeks in advance of the actual training start date. Marine Corps Air Station Cherry Point will have a call-in number for public use to provide information on the current use of the training area. The Notification to Mariners System will also be utilized to inform the public on the status of the training area. No vessel or person shall enter the area during the scheduled block training session except for such vessels as may be directed by the enforcing agency to enter on assigned duties. The area will be patrolled and vessels "buzzed" by the patrol plane prior to the conduct of operations in the area. Vessels or personnel which have inadvertently entered the danger zone shall leave the area immediately upon being so warned.

(c) *Enforcing agency.* The regulations of this section shall be enforced by the Commander, Marine Corps Air Bases, East, Cherry Point, North Carolina, or his authorized representatives.

§ 334.430 Neuse River and tributaries at Marine Corps Air Station Cherry Point, North Carolina; restricted area and danger zone.

(a) *The restricted area.* That portion of Neuse River within 500 feet of the shore along the reservation of the Marine Corps Air Station, Cherry Point, North Carolina, extending from the mouth of Hancock Creek to a point approximately 6,800 feet west of the mouth of Slocum Creek, and all waters of Hancock and Slocum Creeks and their tributaries within the boundaries of the reservation.

(b) *The danger zone.* The waters within an area beginning at latitude 34.923425° N, longitude -76.853222° W; thence northeasterly across Hancock Creek to latitude 34.925258° N, longitude -76.849864° W; continuing northeasterly to latitude 34.933382° N, longitude -76.835081° W; thence northwesterly to the Neuse River shoreline at latitude 34.936986° N, longitude -76.841197° W, continuing northwesterly to latitude 34.943275° N, longitude -76.852169° W; thence southwesterly along the shorelines to latitude 34.935111° N, longitude -76.859078° W; thence southeasterly along Hancock Creek shoreline to the point of origin.

(c) *The regulations.* (1) Except in cases of extreme emergency, all persons or vessels, other than those operated by the United States Navy or United States Coast Guard, are prohibited from entering the restricted area without prior permission of the enforcing agency.

(2) Entry points into the danger zone will be prominently marked with signage indicating the boundary of the danger zone.

(3) Firing will take place both day and night at irregular periods throughout the year. Appropriate warnings will be issued through official government and civilian channels serving the region. Such warnings will specify the time and duration of operations and give such other pertinent information as may be required in the interest of safety. Upon completion of firing or if the scheduled firing is cancelled for any reason, the warning signals marking the danger zone will be removed.

(4) Except as otherwise provided in this section the danger zone will be open to general public access. Vessels, watercraft, and other vehicles may proceed through the danger zone.

(5) The regulation in this section shall be enforced by the Commanding Officer, Marine Corps Air Station Cherry Point, North Carolina, and/or persons or agencies as he/she may designate.
